

# Advances in Biological Techniques

2<sup>nd</sup> - 4<sup>th</sup> Nov,  
2017.

*An International Conference on the recent advances in  
Molecular biology, Ecology and Conservation.*

### **Call for Abstracts**

- Oral Presentation
- Poster presentation

### **Subject areas**

- Molecular Biology
- Systematics
- Ecology
- Conservation
- Genetics

**Raja Peary Mohan College, Uttarpara Hooghly.**

**Website: [www.rpmcollege.org](http://www.rpmcollege.org)**

**E-mail: [aibt@rpmcollege.org](mailto:aibt@rpmcollege.org)**

**Mobile: 9831802169**

**\*\*All interested participants are requested to send their abstract by 28/10/2017\*\***

## **ADVANCES IN BIOLOGICAL TECHNIQUES**

**RAJA PEARY MOHAN COLLEGE, 2<sup>ND</sup> TO 4<sup>TH</sup> NOVEMBER, 2017.**

Biology is like a colossal tree, with branches that are diverse, flourishing in different directions, defining paths of their own. Nevertheless, they absorb in discourses and often join to build bridges, addressing questions of common interest. The conference will showcase modern biology in its diverse glory over three main areas – Disease Biology, Genomics and Ecology and Conservation Biology. We invite you to participate in the symposium that will host eminent scientists and provide a platform young researchers. The three-day long meeting will provide ample opportunity for informal discussions between students and faculty and facilitate future collaborations. Parallel to the conference a One-day Undergraduate student's workshop session would also be held towards basic demonstration of biological techniques and their applications.

**CALL FOR PAPERS:** Last date of Submission of abstracts: 28<sup>rd</sup> October, 2017.

There will be presentation of papers by participants (oral/poster) on the theme of the seminar, which will benefit particularly the participating teachers and students of various universities and colleges. The accepted papers would be arranged for presentation in well-structured sessions.

Please go through the rules and regulations related to paper submissions from the organiser's part in order to avoid any miscommunication. They are the following:

- Abstracts must be submitted in word format,
- A title page must be present along with the manuscript,
- The title page must have: Title of talk, Name of presenter(s), Affiliation, Contact details,
- Abstract should not exceed 250 words,

Please Note:

\* All the papers except that of the invited speakers would be refereed by an independent panel of experts who are forming the core of the Seminar's Advisory Board,

\* Only abstracts will be accepted,

\* Electronic Submission of the papers are hereby solicited.

**\*\*For E-Submission papers please use the following link\*\***

**[Registration form](#)**

## REGISTRATION CHARGES

The conference registration charges for Paper Presenters (both oral and poster) would be Rs.850, while conference participation would require a subscription fee of Rs.500 for 3 days. Student's registration fee for the workshop sessions would be Rs. 250. Accompanying Person registration, if needed, should be made in consultation with conference organizing committee.

Please Note: All payments are to be made in cash in between 10<sup>th</sup> October 2017 to 28<sup>th</sup> October, 2017. However, spot registration would be open from 9:00 AM to 11:30 A.M on all days of the conference for participation (Rs 200/day or Rs 500 for three days).

## REGISTRATION POLICY

- Participant's **registration includes:** access to all sessions, access to workshop and poster areas, Opening Ceremony and Welcome Reception.
- Accompanying **Person registration includes:** Access to opening ceremony and welcome reception, and exhibition area. Accompanying Persons are not allowed to access any scientific sessions.
- Please note that **registration is not complete and will be cancelled unless payment is received** by the corresponding deadlines.

## SPONSORSHIP & EXHIBITION

Industry-academia linkage is one of the defining features of biological research in the present decade. In line, we keep all paths open for Sponsorship of the Conference at different levels. The conference organizing committee takes active interest in having a talk with interested partners.

This Exhibition Area within the conference provides an excellent opportunity to engage with academicians from the field of biology within West Bengal and abroad to promote your products, services, company, etc.

All accommodations with regards to exhibition shall be arranged by the exhibiting organization. The conference committee shall make arrangements for 1 table (3mX3m) and 2 chairs for the purpose.

Exhibition space booking would cost Rs.7500 for three days and Rs.3500 for one day.

## **ABOUT THE ORGANISERS:**

Raja Peary Mohan College was established on the 20<sup>th</sup> June 1887 under the visionary leadership of Baboo Joy Krishna Mukherjee, a benevolent Zaminder of Uttarpara and a foremost social reformer who also happens to be the first signatory of the Widow Remarriage ACT XV of 1856 in India proposed by Ishwarchandra Vidyasagar. Department of Zoology, Raja Peary Mohan College was opened in 1956 as a Pass Course and upgraded as an Honours Department in 1965. From the very outset, students of the department showed remarkable success in academic advancement and the tradition continues even today. The alumni of the department are spread across the globe engaged as faculty or research students in prestigious institutions abroad. The Zoology Laboratory is one of the well-equipped laboratory under the University of Calcutta. The Department runs the Postgraduate Course under Netaji Subhas Open University from 2006-2007.

Hoping to hear from you soon,  
With warm and sincere regards.

**Dr. Sudip Kumar Chakrabarty,**  
**Principal, Raja Peary Mohan College.**

Chairman of Organising Committee.

For any enquiry please contact: Dr.Santanu Rana (Convenor): ☎9831802169/ ✉  
[aibt@rpmcollege.org](mailto:aibt@rpmcollege.org).

Follow the college website: [www.rpmcollege.org](http://www.rpmcollege.org).

Selected Candidates will be informed about the Programme schedule by email and also will be uploaded in the college website [www.rpmcollege.org](http://www.rpmcollege.org) in time.
